FAQ regarding Machi-nori services

- Q** Are there any age and height restrictions in using Machi-nori bicycles?
A. There is no age restriction but if your height is over 145 cm and you are confident that you can drive our 20 inch bicycle safely, you are welcome to use our bicycle.
- Q** I don't have a smartphone, does that mean I cannot register membership?
A. Membership registration requires smartphone. If you do not have a smartphone, you can rent our bicycle by purchasing One Day Pass from the counters.
- Q** Is it possible to rent more than one bicycle with one smartphone?
A. Yes, it is possible if you have more than one account. One account can rent only one bicycle, so you need to create a new account for every bicycle you want to rent.
- Q** What should I do if there are no bicycles at the port or if the returning racks are full?
A. If there are no bicycles at the port, please move to another port and rent the bicycle from there. If the returning racks are full, you can return the bicycle as long as you park the bicycle as close as you can to the port.
- Q** What should I do if the bicycle is broken or stolen?
A. Please contact us if there are any accidents, stolen bicycle or damages happened. However, we will demand payment from you if we found that the accidents, stolen bicycle or damages happened due to your own negligence or mistake.
- Q** Can I use rental bicycle service in other areas with the same apps?
A. Yes, you can. This is a rental bicycle service provided by Docomo Bike Share Inc. You can use the same Account in any other areas that have the same service provider. However the fee varies by area.
 ※ For more details on how to use our service, please visit our website.

Insurance

In addition to the user's own injuries, we also have various insurances to cover any accidents caused to third parties. Any damage exceeding the compensation limit will be borne by the user.

※For detailed explanation of the insurances, please visit our website.

Safety Guidelines

Please follow the rules and manners while riding the bicycles.

- Always use roadways. Riding on sidewalks is allowed only in exceptional cases.
